

# HUMANIZING HIGH DENSITY

People, Nature & the Urban Realm

## Why Attend?

---

As the recognized international authority on tall buildings, CTBUH conferences offer a wide variety of benefits to attendees:

- Learn from distinguished experts on the latest in tall buildings, infrastructure and urban development
- Gain knowledge and insight in the latest thinking on sustainability and sustainable vertical urbanism
- Network with top, internationally-influential people in the industry
  - 1,000+ Delegates are expected from 45+ Countries
- Develop collaborative partnerships and business leads
  - Gain company recognition through face-to-face interaction with business leaders
- Earn Continuing Professional Education Credits
  - Registered professionals could expect to accumulate up to 27 hours of CES/CPDs credits during the entire five-day Singapore 2020 Conference (including AIA Health, Safety & Welfare credits).
- Better understand the business opportunities in the US & Internationally
  - Key industry vendors will be showcasing their latest products, projects and processes, providing insight into the issues and technology most important to current and future clients.
- Influence best-practice thinking and policy making
  - Take advantage of the ability to take part in seminal discussions that will shape how the tall building industry approaches important criteria, policies, standards and approaches to development, construction and demolition.
- Experience the dynamic city of Singapore
  - 91 completed buildings over 150 meters
  - International Transportation hub and major link to the entire United States
  - Tropical climate, allowing new construction to seamlessly implement vertical greenery
- Tour seminal tall buildings and urban spaces (completed and under construction)
  - Get inspired by the techniques in place at the year's most exciting projects and share them with colleagues at your headquarters.
- Connect with CTBUH Chapter leaders and experts in proximal cities with lots of industry activity during the regional off-site programs
- Enjoy social-networking events at top venues
  - Opening Day VIP Networking Events
  - Sponsor-Invited Social Events
